PREFACE

IN presenting the **Thirty-Fourth Annual Edition of the City of Hamilton Directory**, I thank the business men and patrons of the Directory generally for the very liberal and enthusiastic support they have given me and for the substantial increase in advertising. As my last edition proved very satisfactory, I am quite confident that the present volume will be still more so, it containing more information, and no expense, time, or labor being spared to make it most accurate.

In the Miscellaneous Directory will be found the names of the new officers of the various societies, etc., and the City Council and School Trustees for 1907. In due time my canvassers will call on you for the renewal of your patronage.

Wishing my subscribers a prosperous year, I remain,

Respectfully yours,

HENRY VERNON,

JANUARY, 1907. **138 Mary Street.**

Office Clark's Business College, Hamilton

A Modern School of High Ideals Under a Vigorous Management

THE success of our Canadian College has exceeded our most sanguine expectations. It was opened Sept. 1, 1905, and without friends or influence it has achieved more in a single year than most schools do in a life-time.

Its watchword was : Superiority.

Its maxim : Absolute Thoroughness.

Its Highest Aim : The Rapid Progress of its Students, assisting Worthy Graduates to Paying Positions and Rapid Promotions, starting them on the highway of SUCCESS AND PROSPERITY.

Truth and Honor were also characteristics of this institution. It has fulfilled all promises. No student or patron can say that Clark's College has ever misrepresented, or has failed to do as it agreed.

The Onward Sweep of Superiority

UPON principles of right and fair dealing This Institution was established; upon these principles it soon rose to popularity and public favor—its rapid growth being almost without a parallel in the history of Commercial Colleges. In September, 1906, nearly 100 new students were enrolled, representing more money in tuition, during the same period, than the entire enrollment of all the other Business Colleges in Hamilton.

The Spirit of Twentieth Century Progress

OUR accommodations now being entirely inadequate to provide for our rapidly increasing attendance, we promptly secured the entire second, third and fourth floors of the McKay block, 46-48-50 and 52 James Street North. With the addition of this large amount of room, we now actually control more floor space, by far, than that occupied by all the other business schools in Hamilton, a fact that speaks volumes for the enterprising and progressive spirit of this institution.

Staff of Broadly Educated and Widely Experienced Specialists – the Strongest Corps of Professional Teachers Ever Assembled in a Canadian Business College.

Real Practice in Expert Accounting. A course taken from the Actual Experience of Professional Accountants, illustrating 25 sets, the tangled and irregular work of bookkeepers and business men. These sets are a part of our Accounting Course and must be Adjusted and Satisfactorily Worked Up before our Students are allowed to graduate.

We believe in Clark's. We know the Success of our School is based on real merit. We, therefore, extend a cordial invitation to teachers, professional and business men to visit us. We will introduce to you a live school, enthusiastic Specialists and responsive students. THE

Smith Premier Typewriter

WITH THE

NEW TRI-CHROME RIBBON

And a small lever which throws into place the color demanded by the work in hand, have completely solved the typewriter problem. By means of this feature it produces at the will of the operator,

Letters in purple ink that will copy.
Documents in black ink that will not fade or offset.
Emphatic words or phrases in letters, as well as credit in bills and statements, in vivid red.

One machine and one ribbon do it all without loss of time and without error. Why not have a typewriter that will do all your work and do it better and quicker than any other machine can do one part ?
